GREW THIS HAIR

And we can
PROVE IT

Testimonial No. 570.

MRS. ANNIE E. SHEEHAN,
Weir City, Kansas.

You must remember that falling hair and dandruff are signs of decay, or a diseased condition of the scalp, and you must not delay treatment. To do so simply means more loss of hair, and a greater impoverished scalp, and finally no hair. The wise thing to do is to correct it in the start. Danderine works wonders in all such cases. It will quickly regenerate the enfeebled tissues, and make your hair grow more beautiful than it ever was. NOW at all drug stores, three sizes.
25c., 50c. and \$1.00 per bottle.

Not since the white man came has there been such a storm as that now raging in Washington. The whole state is suffering from it, and the damage will be enormous.

With the news of the formal separation of Senator Thomas C. Platt and his wife, formerly Miss Janeway of Washington, steps were taken in Chicago yesterday by the Attorneys of Mae Wood to begin immediately her fight for a share of the Platt millions. Mae claims to be Platt's legal wife by a marriage before he was wedded to Miss Janeway in 1903.

The Brotherhood of Locomotive Firemen has voted a strike on the Erie Railroad, unless wages are increased 20%. The Secretary of the Brotherhood says firemen on connecting and competing lines will strike in sympathy, as well as the other Brotherhoods employed on the Erie system. "It will be the biggest tie-up in the history of the country," he said.

The Attorney General yesterday filed the Government suit against the Standard Oil Company and its 70 subsidiary companies, and against John D. Rockefeller, William Rockefeller, Henry H. Rogers, Henry M. Flagler, John D. Archbold, Oliver H. Payne and Charles M. Pratt, the leading lights in the great combination. The future of the Standard, and incidentally other combinations of capital, will depend upon the outcome of the suit.

Internal Revenue Commissioner Yerkes will call a halt on wholesale liquor dealers, who, it is alleged, have tried to conceal or obliterate the signs, brands and stamps that indicate the origin and first makers of packages of whisky by plastering wholesale dealers' stamps over the stamps and brands. The order now is that with January 1st the wholesalers' stamps are to be issued only for packages filled on the premises of the wholesale dealers, distillers or rectifiers and for use on unknown packages not already marked.

The Chronicle says an investigation is in progress of the disappearance of money sent from different states to San Francisco for the relief of sufferers from the calamity. It is said sums never reached the Relief Committee. Some of these were mailed and about one hundred Government agents are making investigation. President Roosevelt is the moving spirit behind the inquiry, which comes within the jurisdiction of the Federal authorities because of the interstate character of the postal service. It is said the aggregate of the stealings will amount to a million dollars.

One way is to pay no attention to it; at least, not until it develops into pneumonia, or bronchitis, or pleurisy. Another way is to ask your doctor about Ayer's Cherry Pectoral. If he says, "The best thing for colds," then take it. Do as he says, anyway. We have no secrets! We publish J. C. Ayer & Co., Lowell, Mass., the formulas of all our preparations.

SAVED BABY LYON'S LIFE

Untold Suffering and Constant Misery—Awful Sight From that Dreadful Complaint, Infantile Eczema—Commenced at Top of his Head and Covered Entire Body.

MOTHER PRAISES CUTICURA REMEDIES

"Our baby had that dreadful complaint, Infantile Eczema, which afflicted him for several months, commencing at the top of his head, and at last covering his whole body. His sufferings were untold and constant misery, in fact, there was nothing we would not have done to have given him relief. The family doctor seemed to be wholly incapable of coping with the case, and after various experiments of his, which resulted in no benefit to the child, we sent to Mazon, Ill., to a druggist and got a full set of the Cuticura Remedies and applied as per directions, and he began to improve immediately, and in about three or four days began to show a brighter spirit and really laughed, for the first time in a year. In about ninety days he was fully recovered, with the exception of a rough skin, which is gradually disappearing, and eventually will be replaced by a healthy one.

"Praise for the Cuticura Remedies has always been our greatest pleasure, and there is nothing too good that we could say in their favor, for they certainly saved our baby's life, for he was the most awful sight that I ever beheld, prior to the treatment of the Cuticura Remedies. Mrs. Maebelle Lyon, 1826 Appleton Ave., Parsons, Kan., July 18, 1905."

COMPLETE TREATMENT \$1

By resolution the Baptist Convention at Richmond, Va., broke off all relations with the American Bible Society and refused to use their publications. The trouble grew out of the printing by the Baptists of Bibles for the Asiatics, in which the Greek word "baptize" was translated "dipped." The American Society contend for the translation, "sprinkle," and refused to aid in the circulation of the Baptist Bibles.

Until the string of Dams in the Ohio river to Beaver is completed Dam No. 2 will be the head of navigation. For years the marks at Davis Island Dam have indicated the stage of navigation. Next spring it is expected that the head of navigation will be established at Dam No. 6, near Beaver, and this Dam will have that distinction for many years until the Government has completed a Dam immediately below it.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

This means you, Mr. Farmer. Time was when Farmer Cornsall was not supposed to think; but times have changed, and he is now considered among the brainiest thinkers in the world, and the sale of gold bricks has materially decreased. Nowadays he demands and must have the "Handy" Low Wheel Wagon? Ever hear of them? Here is a picture of how they look.
